

Committee Sign Up Form

The South Kansas City Chamber of Commerce has many committees that each have a set of goals and objectives that help make the Chamber successful and the committee work can only be completed through volunteer involvement! Serving on a Chamber committee allows members to help the Chamber accomplish it's mission by using their talents in areas that interest them, and also provides opportunities for volunteers to develop new business relationships.

All employees of any member company are eligible to serve on a committee so please take a moment to review these, choose your committee of interest and then forward on to others in your company.

To volunteer for a committee please check the committee(s) you are interested in and complete the information below and return to the Chamber.
